There had been many instructions and preparations for the priests to be able to mediate between God and the people, it took a look to be prepared to be in the presence of a Holy God. But now Aaron and the priests were ready to go with the offering to God. And once the sacrifices had been made, and atonement made for the people's sins, they'd be able to see the glory of the Lord. Week 4 | Leviticus 19

Jesus is working to make Christians holy... to have us become more like him. Because God has rescued Christians their lives are now his. He is Holy, so we must make every effort to be holy. Spending time with God – through the bible and prayer, and with his people at church spurs us on to love God and pursue a set apart life for God.

## Engage Your Brain
