

## 2. Be Like Chicken Salt

Hi there, I'm Luke from Trinity Church Golden Grove and each week I want to help you be a more confident christian at work, all in 60 seconds.

I love chicken salt,

Put some on your hot chips and it just makes them sing.

I think God wants us to be like chicken salt in our work places.

Over in Colossians 4, we read these words,

**Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone.**

One of the best ways to bring our faith to work,

Is how we speak to others.

Not only does God give us work,

But he also places people in our workplaces for us to interact with and get to know.

Being chicken salt may look like giving credit for a job well done, rather than taking it yourself,

It could mean being more aware of the tone of your emails,

It could look like saying you went to church on the weekend.

Or, It could mean being bold and declaring that you are a Christian.

So, when God opens a door for you, resolve to respond with grace and wisdom to those around you.

Remember, always a Christian and always on mission.

Chicken salt anyone?
