

6. When Work Is Mundane

Transcript

Hi there, I'm Luke from Trinity Church Golden Grove and each week I want to help you be a more confident christian at work, all in 60 seconds.

Do you eve feel like work is blah and monotonous?

Do you know that Christianity invites us to see that there is more going on at work and in our world that we often notice?

G K Cherston, a British author, once said:

Children always say do it again and the grown-up person does it again until he is nearly dead.

For grown-up people are not strong enough to exult in monotony.

But perhaps God is strong enough to exult in monotony.

It is possible that God says every morning, "Do it again" to the sun; and every evening, "Do it again" to the moon. It may be that God makes every daisy separately, but has never got tired of making them.

I love that!

We have no reason to be bored in God's world.

Soo, what's the solution to Monday blues?

Well, Just because you can't achieve what you want, doesn't mean God hasn't put you in your work place.

Remember, you'll never find a job void of frustrations.

But,

What you can do is to take notice of God and his expectations,

Ask for his strength to keep doing it,

Just like he does every day.

So,

Aim at his glory,

And see how living becomes awesome business when you realise you spend every moment of your life in the sight and company of an all knowing, every present, wise God.
