

7. Waiting For The Next Career Move

Transcript

Hi there, I'm Luke from Trinity Church Golden Grove and each week I want to help you be a more confident christian at work, all in 60 seconds.

Waiting for a job offer, a call back or the next career leap often comes with so much uncertainty and frustration.

Did you know, that as a Christian,

We are actually in the best place to navigate all this.

Why?

We know the God who never changes,

Who's never waiting for your boss to make up their mind,

Who knows the end of the story and is committed to you in the present.

As Isaiah once told God's people:

Why do you complain, Jacob? Why do you say, "My way is hidden from the Lord; Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. Isaiah 40:27-28

If you are in a tricky work spot,

May I encourage you,

To think, pray, plan, prepare, seek, work well, hard, faithfully and quietly, all for God's glory.

Don't miss that even in the waiting, there's mission moments and growth opportunities, given to you, by God.

And,

As you do this, in all the uncertainty about your future, may you know with confidence that God is not going to be surprised with the outcome.

The past, the present and the future are all perfectly present to your God.

So, why not renew your trust in your great God today,

You are in good safe hands.

Your way and work is well known to him.
